

WORK EXPERIENCE & SECONDMENT APPLICATION

Thank you for your interest in undertaking work experience with Foundation Theatres. Foundation Theatres is an Australian family owned and operated organisation. We are a theatre owner, operator and production financier. Our venues are two of Sydney’s premier theatres: The Capitol Theatre and Sydney Lyric. We are deeply passionate about educating future generations about the theatre and sharing our passion for all that we do. We are delighted that you are wanting to learn more about the world of venue management.

Due to demand, we have limited work experience places available throughout the year. To ensure that we can give successful applicants the best possible experience, we would like you to answer the following questions so that we can understand a little more about you and what you hope to learn. Please note there is no right or wrong answer, the answer simply helps us to curate the right opportunities for the right people.
